REGULATIONS RE RELIGIOUS INSTRUCTION

(REGULATIONS OF THE PUBLIC, CONTINUATION AND HIGH SCHOOLS)

For Religious Instruction, the Sacred Scripture, or the Selected Scripture Readings of the International Sunday School Association, or the Bible Readings printed by the Macmillan Company, Toronto, and issued for the approval of School Boards by consent of the Department of Education, shall be used as prescribed by the Regulations of the Department of Education and as may be determined by the Board of School Trustees.

No pupil shall be required to take part in any religious exercises objected to by his parents or guardians, and in order to secure the observance of this regulation, the teacher, before commencing a religious exercise, is to allow a short interval to elapse, during which the children or wards of those, if any, who have signified their objection may retire. If, in virtue of the right to be absent from the religious exercises, any pupil does not enter the schoolroom till the close of the time allowed for religious exercises, such absence shall not be treated as an offense against the rules of the school.
